Reentry and Strategic
Partnerships at
Nehemiah

Proposed Conference learning objectives and outcomes:

Learning Objectives:

- Attendees will be able to identify 3 components of reentry services.
- Attendees will be able to identify 3 strategies to support reentry in the community.
- Attendees will be able to identify 3 challenges to address with re-entry planning & implementation services.
- Attendees will have the experience to hear stories from persons with lived experience and opportunity to ask questions and share experiences.

Outcomes:

- Increase attendees' awareness of what is Reentry Services
- Increase awareness of community needs for Reentry Services
- Learn how to support Re-Entry Services within local community
- Identify future training and learning needs to continue to expand on collaboration with attendees, community and Reentry Services
