NEXT STEPS - EXPANDING YOUR INFLUENCE

This list is not exhaustive, but exemplary. Be thoughtful and creative.

EDUCATION

- Be in conversation with school administrators about issues school policies / practices related to race
- Get involved with your local PTO
- Advocate for appropriate hiring people of color in the schools
- Run for a seat on the school board
- Give your employees paid time off to volunteer as tutors/mentors

NEXT STEPS - EXPANDING YOUR INFLUENCE

INCARCERATION

- Get training to be an advocate for people involved in the criminal justice system
- Learn about the realities of the court system and Department of Corrections. Find ways to challenge inequities in the system
- Provide training for ex-offenders (and un- or under-employed) in areas of your expertise

ECONOMIC DEVELOPMENT

- Become a “friendly employer” for the formerly incarcerated
- Serve as a job coach for someone re-entering the workplace
- Mentor / Coach people who are starting their own businesses
- Talk with your HR department and / or organizational leadership about your company’s hiring and retention practices

FAMILY & COMMUNITY WELLNESS

- Encourage your medical and / or mental health care providers to get involved with community efforts
- Talk to your HMO about having an assessment / audit of their policies and practices related to race

LEADERSHIP & CAPACITY DEVELOPMENT

- Step into political involvement that work to break down structural injustice
- Leverage your professional skills and networks to increase opportunities for people of color
- Encourage organizations to have an assessment of their policies and practices related to race
- Support non-profits (financially and otherwise) engaged in providing solutions to these issues

OVERALL

- Involve your faith community in these issues
- Build alliances with others who are involved in taking significant action steps
